MTA No. _____

Material Transfer Agreement

This Agreement is entered into on the 1st of January, 2019: BETWEEN:

1. National Liver Disease Biobank (NLDB),(Custodian)

And

2. _____ (“PI/Co-PI/Student PI/Requesting Institute /Collaborating Institution”).

1. Title of the project along with the funding agency &date of approval by Institutional Review Board (IRB)(where applicable):

Title of the project	
Funding agency	
No. and Date of approval by IRB	

2. Name and address of the Institution where material is to be stored/to be sent:

Name	
Address	

3. Name and Quantity of Bio-materials to be transferred in NLDB or out of NLDB:

S. No.	Type of Sample	Quantity

4. Purpose or Objectives:

5. Type of research/investigation to be carried out using the material:

6. Any other relevant information pertaining to this bio-material

7. Annexure Required:

- i. Abstract
- ii. Ethical Approval
- iii. Consent for each and every sample / patient.

This transfer is governed by the following conditions:

1. The bio-material would not be used for any future commercial purposes other than those stated in the project proposal.
2. The PI / Co-PI / Student PI / Requesting Institute / Collaborating Institution would be the only user of the bio-material.
3. The bio-material would not be transferred to any other person/agency in any circumstances.
4. No patent/intellectual property issues shall be filed on any product or process so developed with this bio-material without the written consent of the collaborating scientists.
5. The requesting institution indemnifies the donor Institution from all damages that may occur due to improper handling of the bio-material.
6. The PI / Co-PI / Student PI / Requesting Institute / Collaborating Institution will not attempt to identify and/or contact any of the donors or Data Subjects included in the Materials supplied.
7. The requesting institution will comply with the Custodian's procedure for withdrawal of donor and/or Data Subject consent, details of which are set out with the Custodian.
8. Adequate safety norms shall be observed during transit.
9. Adequate safety norms shall be observed while working with the bio-material.
10. The PI / Co-PI / Student PI / Requesting Institute / Collaborating Institution shall provide a yearly report on the use of bio-material.
11. Mutual agreement on Non-disclosure agreement shall be signed by the PI / Co-PI / Student PI / Requesting Institute / Collaborating Institution.
12. The PI / Co-PI / Student PI / Requesting Institute / Collaborating Institution will ensure that any

publication or presentation that is based (in whole or in part) on any Materials obtained from the Custodian will include the following acknowledgement:

“We gratefully acknowledge the contribution to this [study/publication/presentation] made by National Liver Disease Biobank”

13. The PI / Co-PI / Student PI / Requesting Institute / Collaborating Institution agrees that the title of the Study may be published on the Custodian’s website, together with a lay summary of the PI / Co-PI / Student PI / Requesting Institute / Collaborating Institution’s work and the names of the institutions where such work is taking place. The PI / Co-PI / Student PI / Requesting Institute / Collaborating Institution also agrees that, at the Custodian’s discretion and if requested, the name and contact details for the project investigator in relation to the Study may also be provided.
14. The present MTA shall remain in force for the duration of the research proposal and cannot be transferred / assigned to any other Scientists or Institutions.
15. All work in relation to the Materials will be carried out in compliance with all applicable laws, regulations, guidelines and approvals and any approvals required from a Research Ethics Committee.
